## North East Transport Connections Project

The North East Transport Connections Project (NTCP) is based on a partnership of ten organisations who have provided resources and support for the NTCP. We would like to thank the following partners for their ongoing support.

Alpine Health

Alpine Shire

Community Accessibility Inc.

Indigo Council

North East Local Learning and Employment Network

Ovens & King Community Health Service

Rural City of Wangaratta

Rural City of Wodonga

Towong Council

Upper Hume Community Health Service

The NTCP is funded through the Victorian Government's Transport Connections program, a cross government initiative to help communities work together to improve local transport.

The project aims to help develop an effective, efficient and sustainable transport service system in North East Victoria. The project covers the LGA's of Alpine, Indigo, Wangaratta, Wodonga and Towong.

The NorthEast Transport Connections Project (NTCP) is a community transport initiative funded by the State Government. NTCP provides transport solutions for communities across the five Local Government areas of: Alpine, Indigo, Towong, Wodonga and Wangaratta. NTCP aims to assist the community with transport services to improve access to the community as well as social, health and medical services. These services may include transport options for people without a car, making better use of existing services, taxis, school buses, route buses, community buses and volunteer drivers.

The **Flexi-Trans** website **www.flexitrans.org** is part of the NTCP information product range, including this transport information booklet. Refer to this web site for links to transport options across the North East region of Victoria.
